Dear Senior Parents and Guardians:

The class of 2010 is in the process of organizing a Senior Trip.

This trip is usually scheduled for the first week in June. It is open to all Seniors who want to have an educationally based experience of a lifetime. The student to sponsor ratio will be around 10-1. Plans are being finalized as to cost; as of right now the estimated cost is approximately \$1400. The more students going, the less the expense. The senior class will have numerous fundraisers to help defray most or all of the cost per student. We are planning a Senior Parent Meeting for November 12, 2009 to answer questions and establish numbers of seniors who are interested. More details will be given as to itinerary, cost, and payment schedules.
